7 manufacture of methamphetamines in violation of Code Section 16-13-31 occurs or has
8 occurred may be quarantined by the local law enforcement agency having jurisdiction
9 where such property is located. The local law enforcement agency which quarantines the
10 property shall be responsible for posting signs indicating that the property has been
11 quarantined and, to the extent they can be reasonably identified, for notifying all parties
12 having any right, title, or interest in the quarantined property, including, but not limited to,
13 any lienholders.

14 (c)(1) Any person who has an interest in property quarantined pursuant to this Code
